SAINT JOHN, NB – Saint John Theatre Company (SJTC) is taking on its biggest production yet, announcing a new major production of *Les Misérables*, September 15–25, 2027 at Imperial Theatre.

One of the most beloved musicals of all time, *Les Misérables* will be brought to life by an all New Brunswick cast and creative team in what promises to be the biggest and most spectacular musical production ever staged in the province.

This ambitious undertaking marks an exciting milestone for SJTC and a chance to showcase the incredible depth of theatrical talent right here in New Brunswick.

Set against the backdrop of 19th-century France, *Les Misérables* tells a powerful story of love, sacrifice, revolution and redemption. With an unforgettable score featuring some of musical theatre's most iconic songs, including *I Dreamed a Dream*, *On My Own* and *Bring Him Home*, the musical has captivated audiences around the world for more than 45 years.

"Les Misérables represents another major step in our commitment to producing ambitious, high-quality theatre in New Brunswick, creating opportunities for local artists and bringing audiences together for extraordinary live theatre experiences." Stephen Tobias, Artistic Director, SJTC
