Ready for Christmas? Neither is Scrooge.

SJTC presents the holiday classic *A Christmas Carol* this month at Imperial Theatre.

SAINT JOHN – The popular SJTC Main Stage Series at the Imperial Theatre will open with the larger than life classic, *A Christmas Carol*, which will run from November 20-23. The holiday home opener will be directed by Dean Turner and will feature a blend of SJTC veterans and several first time SJTC performers.

“I am very excited to have the chance to direct this classic story, adapted by and starring Bob Doherty. In this new adaptation, a small cast plays all of the supporting characters while Bob Doherty takes on the role of Ebenezer Scrooge,” adds Dean Turner, Director.

The family favourite tells the tale of Ebenezer Scrooge, a bitter, money-hungry man who values wealth more than anything, including friends, family, love and even Christmas itself. A late night visit from three ghosts takes him on a journey through his past, present and future. The show will feature hand crafted life sized puppets to portray the ghosts of Christmas Past, Present and Future.

Tickets are moving fast. Adult tickets are \$49.50, senior and matinee tickets are \$40 and students are \$10. To secure your seat contact the Imperial Theatre box office at 506-674-4100 or visit www.imperialonline.ca.
