Jason Ogden

A distinct sound that draws its influence from folk-rock, country and punk.

SAINT JOHN – The Live @ The BMO Studio presents local singer/songwriter Jason Ogden on November 30 as part of the 2019-2020 music series line-up.

Jason Ogden is the song writing force behind Penny Blacks, one of Saint John's most critically decorated bands. Their sophomore full-length effort, *Long Lights*, was named the Maritime Edit's favorite album of 2017, and the title track won Best Song at the 2018 Saint John Music Poll. Recently nominated for SOCAN Song Of The Year and two album awards at the 2018 Prix MNB Awards for his work with Penny Blacks, 2019 finds Ogden at his most prolific.

This exclusive performance at the BMO Theatre promises to be a special evening of music combining songs from Ogden's back catalogue, new song debuts, and featuring many special guest musicians.

Jason Ogden will perform on November 30 at the BMO Studio Theatre, 112 Princess Street.

Tickets: \$20. To order visit: www.ticketpro.ca or call 1-888-311-9090.

Funding for the Live @ The BMO Music Series has been generously provided by Canadian Heritage, the Province of New Brunswick and BMO Financial.
