Every Brilliant Thing

An intimate and interactive story about finding joy in the everyday.

SAINT JOHN – The Saint John Theatre Company is pleased to present *Every Brilliant Thing* produced by Talk Is Free Theatre from May 3-6 at the BMO Studio Theatre. This interactive play charts the lengths one will go to for the people they love. A young boy constructs a list of little things to help his mother find a way to be happy. In this raw, real, and intimate piece of theatre, what begins as a naïve way of dealing with tragedy becomes a lifelong reminder that joy can be found in the seeming insignificant – that the unremarkable can, in fact, become something quite remarkable.

"*Every Brilliant Thing* is about the simple ways we deal with the difficult things in life," adds performer Michael Torontow. "There may be a few tears, but your Kleenex might be used more for the laughter than the sadness."

Tickets for *Every Brilliant Thing* are \$35, \$20 for students. To order please call the SJTC box office at 506-652-7582 ext. 236 or visit www.tickets.saintjohntheatrecompany.com
