Macbeth at Place Fort La Tour

Loyalist City Shakespeare hits the harbourfront with *Macbeth* next month.

SAINT JOHN – The foggy harbour and surroundings of the fort provide the perfect backdrop for an evening of action-packed sword battles and supernatural encounters. Shakespeare’s great tragedy *Macbeth* will be performed at the beautifully restored Place Fort La Tour from July 12-22.

“We’re excited to be performing outside at Place Fort La Tour, with the fort itself as our stage. Its history also includes ambition and violence, and the site itself provides a multi-level stage that we’re eager to explore through Shakespeare’s text.” Sandra Bell, Director

Tickets are \$25, \$20 for students and can be purchased at the SJTC box office at 112 Princess Street, by visiting <https://tickets.saintjohntheatrecompany.com>, or by calling 506-652-7582.

“We hope the audience will enjoy this outdoor experience: after all, so much of ‘Macbeth’ takes place outdoors, on the heath, on the battlefield. As the evening grows and the play descends into tragedy, the harbourside atmosphere and historic setting will envelope us and we can only hope for a bit of Saint John fog!” Sandra Bell, Director.
