Come From Away shares the incredible story of the 7,000 air passengers from all over the world who were stranded in Canada during the wake of 9/11, and the small Newfoundland community that invited these 'come from aways' into their lives with open hearts. This heartwarming musical, inspired by real-life events, celebrates the power of kindness, community, and human connection in the face of unexpected challenges.

This project is generously supported by Tim Hortons, the Community Foundation, the Province of New Brunswick, BMO, Colliers, and the Pannell Family Foundation.
