

STAGING THE FUTURE:

For over 35 years, the Saint John Theatre Company has been at the heart of our community, bringing stories, creativity, and collaboration to life on stage. Your support has made unforgettable productions, professional development programs, and projects like the Courthouse Theatre transformation possible.

Through this endowment campaign, we're building a future where community art spaces flourish, artists thrive, and audiences of all ages are inspired.

This is your stage too. Help us make room for every story.

WHY SUPPORT MATTERS:

The SJTC is committed to stability, resilience, and growth in the arts. The Staging the Future Endowment Fund, held in trust by the Community Foundation of Greater Saint John provides a foundation to ensure the development and access to the arts.

Every donation to the 2026 Endowment Fund will help us:

KEEP COMMUNITY ART SPACES LIKE THE COURTHOUSE THEATRE ACCESSIBLE

SUPPORT EMERGING & PROFESSIONAL ARTISTS

NURTURE LOCAL TALENT AND COLLABORATION

EXPAND OPPORTUNITIES FOR CREATIVE GROWTH

CREATE VIBRANT CULTURAL EXPERIENCES

“ THE SAINT JOHN THEATRE COMPANY IS A CULTURAL GEM IN OUR REGION, BRINGING THE ARTS TO LIFE WITH INCREDIBLE PERFORMANCES, CREATIVE PROGRAMS, AND COMMUNITY OUTREACH INITIATIVES.”
