Directed by Dean Turner

SAINT JOHN: Saint John Theatre Company is excited to bring the international comedy sensation *ART* to the BMO Studio Theatre from February 18–21, 2026, directed by Dean Turner.

A modern classic, *ART* begins with a simple purchase: a large, completely white painting. What follows is anything but simple. Three long-time friends find their relationship pushed to the breaking point as conversations about art, money, taste, and loyalty turn into a fast-paced and wickedly funny battle of opinions and egos.

Winner of both the Tony Award for Best Play and the Olivier Award for Best Comedy, Yasmina Reza's hit play has been produced worldwide and continues to delight audiences with its sharp dialogue, comic timing, and surprisingly heartfelt core.

Performances run nightly at 7:30 PM at the BMO Studio Theatre, 112 Princess Street. Tickets are \$35. Industry Night for theatre-makers (Feb 19): \$25.

Tickets available by visiting www.saintjohntheatrecompany.com or calling 506-652-7582.

ART is a smart, funny, and insightful look at how we see the world, and how friendship can bend, buckle, and bounce back under pressure. Don't miss this standout comedy coming to the BMO stage this season.
