Local Talent, Big Heart.

***Come From Away* Returns to NB Stages!**

Saint John, NB – Back by popular demand, the musical *Come From Away* returns to New Brunswick this September with its **all local, all New Brunswick talent**, making it truly a homegrown production to celebrate! After a wildly successful first run last fall, audiences are raving about this heartwarming, foot-stomping musical, and now there’s another chance to see it live on stage.

This fully local production features talent from across the province, **led by Fredericton-born Broadway star Tony LePage, in a collaboration between Saint John Theatre Company and Rogue Productions.** Unlike touring productions from outside the province, this version shines a spotlight on New Brunswick performers and creatives, bringing a uniquely local touch to the inspiring story of kindness in Gander, Newfoundland, after September 11.

The all New Brunswick tour hits the following stages this September:

- **Moncton – Capitol Theatre:** September 2–5, 2026
- **Fredericton – Playhouse:** September 9–12, 2026

Tickets go on sale March 4 at noon in both theatres. Don’t miss your chance to experience this joyful, inspiring, and completely local production that has audiences raving!
