## **Hawksley Workman Bringing Intimate Duo Tour to BMO Studio Theatre This November**

Saint John, NB – Saint John Theatre Company is excited to welcome acclaimed Canadian artist Hawksley Workman to the BMO Studio Theatre on Wednesday, November 11, 2026, as part of his upcoming Canada-wide tour.

Known for his powerful live shows, unmistakable voice, and decades-long career as one of Canada's most original songwriters and performers, Workman will bring an intimate performance to Saint John featuring songs from across his catalogue, from audience favourites to lesser-known gems.

The tour will take Workman through communities across the country, including many stops outside major urban centres.

*"There's something deeply meaningful about touring across Canada, not just the major cities, but the places in between," says Workman. "The smaller towns, the secondary highways, the rooms where live music feels personal and essential. Those are often the shows that stay with you."*

The November 11 performance offers audiences a chance to experience Workman's music in the close-up setting of the beautiful BMO Studio Theatre located at 112 Princess Street.

*"Canada is vast, complicated, generous, and endlessly inspiring," says Workman. "Being on the road means I get to experience a special kind of exchange with every city and town we visit."*

**Tickets for the Saint John performance go on sale June 2.**

**To order tickets visit [www.saintjohntheatrecompany.com](http://www.saintjohntheatrecompany.com) or call 506-652-7582.**

Support for the Live @ the BMO music series is provided by the Government of Canada, BMO, the Pannell Family Foundation, the Province of New Brunswick and the Socan Foundation.
